## AARP Tax Help

AARP Tax volunteers will be back again to provide free tax assistance for low income, disabled and seniors filing a simple 1040 form. This service is free of charge with request of donation to Olivedale. Tax appointments for Olivedale Senior members only will be accepted on **Monday, January 26 after 8:00a**. Please call until you get a live person. Messages will not be returned for tax appointments. All Non-Olivedale Senior members appointments will be accepted on **February 2 after 8:00a**. Again, messages will not be returned for tax appointments, so please call until you get a live person.

## Dementia Seminar

Do you or someone you love know or care for a person living with dementia? Join Olivia Waters from United Church Homes on **Monday, February 9 at 1:00p** for an engaging and compassionate conversation.

## OUR MISSION

To provide an atmosphere for friendships and feeling of connection with others for senior citizens of the community, learning through educational and recreational opportunities, promote wellness and social activities that encourage service to the senior center and entire community.

Together, we'll explore the challenges of dementia and discover practical therapies, helpful strategies, and ways to support a meaningful life for those affected.

## Tax Talk

If you missed Tim Oatney, CPA last month's Tax Talk, please join him **Monday, February 23 at 2:00p**. Learn new tax strategies to minimize your tax exposure or maximize your refund. The more information you know before you file, the better the outcome.

## Clarification

There has been some confusion regarding the Winter Weather Policy. The weather policy is only for the winter months for winter snow and ice conditions. Fog is considered an all weather condition and is not covered under this policy. Olivedale will not close due to fog. Again, we thank you for your cooperation.

## R E S P E C T

Olivedale hosts a variety of activities, some occurring simultaneously. As staff observe interactions among groups holding meetings or celebrations, the importance of respect stands out. We kindly ask that when a group is hosting an event in the dining room, other members avoid interrupting by walking through their gathering to access the coffee station. If coffee is needed during a dining room event, please use the partition opening closest to the coffee station and walk along the opposite side of the partitioned wall (ballroom side) to enter through that opening. This approach will help minimize disruptions and demonstrate courtesy and respect for all groups. Thank you.
