Group Set-ups

Each senior group has a 'normal' set-up. When a change is required, (i.e. more tables or change of configuration, a speaker requiring a computer hook-up and projector), a Set-up Sheet must be completed at the office at least a week prior to the scheduled event. Communicating changes to normal set-ups saves time and staff resources. Also, if a group requests the kitchen to provide food for a special event (i.e. luncheon, banquet), it must be approved through the office as to availability of cook, date, and time, as well as cost. Once approved, the group's liaison will provide a set-up sheet for the event. All communications will be with the office. The office is the central hub for all communications.

In the 1920s, the Osage people of Oklahoma were among the wealthiest people in the world, per capita, due to vast amounts of oil found under their tribal lands. Sadly, their oil wealth made them targets of brutal killings as more and more tribal members were murdered. As the deaths increased, the brand-new FBI sent a team of agents to investigate and expose one of the most chilling conspiracies in US history. This book was the basis for the 2023 Scorsese movie starring Leonardo DiCaprio. Come join us! Get your copy at the Info Desk, Fairfield District Library. Questions? Call Barb Ramsey at 740-653-3897.
