**History of Halloween**

According to the New York

Public Library, while

Halloween originated in

Europe, the holiday became

the celebration we recognize

today when it was brought

to America by the early

settlers. People originally

carved out turnips and

placed candles inside to

ward off evil spirits, but

Americans switched from

turnips to pumpkins.

In 1820, Washington Irving's

short story, "The Legend of

Sleepy Hollow", became one

of the first distinctly

American ghost stories

centered around the holiday.

Halloween received its

biggest transformation

within the last 50 or so years,

thanks to the creation of big

candy corporations, and, of

course, Hollywood.

A Symbol of Hope

A butterfly lights beside us like a sunbeam
And for a brief moment its glory and
beauty belong to our world

But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it.

Giving Tree

For the holidays Olivedale wants to give back to our community by asking our members to contribute to the Giving Tree. This year we ask our members to donate \$10 or \$20 local grocery gift cards to be donated to a local food pantry. The food pantry can then purchase needs to fulfill holiday baskets or just provide what's most lacking during the holidays. This year remember those who are struggling to put food on the table. Thank you for your generosity!
